

Attract Millennials with Flavor!

It's a known fact: millennials expect flavor variety and customization - especially when it comes to their coffee. Now is the perfect time to attract this flavor-loving demographic by adding the SureShot FlavorShot to your coffee bar.

The SureShot FlavorShot dispenser holds 10 delicious sugar-free flavors that can be mixed and matched to your customers' liking - the possibilities are limited only by your imagination! Flavors can be added to many different beverages including coffee, tea, cappuccino, espresso, and hot chocolate. Millennials will love the variety and personalization, and this will increase their loyalty to your brand.

And our premium flavors contain no sugar, fat, or preservatives!

Why choose the SureShot FlavorShot for your beverage program?

- Expands menu flexibility across hot, iced, espresso, and specialty coffee lines
- Facilitates offering fresh, high quality flavored coffee
- Eliminates flavored coffee beans
- Reduces expired flavored coffee waste
- Increases available counter space by eliminating flavored coffee pots and brewers
- Requires minimal maintenance

SureShot offers premium beverage flavors:

- Free of sugar, fat, and preservatives
- Easy-to-install cartridge design
- Sanitary and recyclable

FEATURES AND BENEFITS:

- Customizable recipe and button panel graphics
- Easy plug-and-play installation
- No calibration required
- Fast flavor updates and changes
- Cup placement guide and catch tray
- USA and Canada-wide Technical Service Network with SureShot Technical Assistance Center support
