

Customers can have it their way!

The My Way Café is a suite of dispensers designed to complement your hot and cold beverage offerings. The suite creates a fun and inviting destination where customers can whiten, sweeten, and flavor their favorite beverage, making their own special creation each time. With the My Way Café, your customers will be able to enjoy an organized and clutter-free beverage station. Ideal for self-serve environments, the My Way Café comes with point-of-sale signage, a dairy dispenser, a flavor dispenser, and two sweetener dispensers.

DAIRY:

The two product **FlexoShot** dairy dispenser features new, easy-to-use, push-and-hold technology. Increase profits and reduce waste by dispensing bulk dairy product and eliminating the need for messy creamer cups.

FLAVOR:

The **FlavorShot** dispenser offers ten concentrated flavors, perfect for adding to hot or iced beverages such as coffee, tea, cappuccino, and espresso, just to name a few. Mix and match flavors to create 100+ recipes. The possibilities are limited only by your imagination.

SWEETENER:

The two product **Multi-Sweetener** dispenser delivers accurate portions of sugar and sweetener so your customers can enjoy guaranteed taste consistency, convenience, and faster service. Increase profits and reduce waste by dispensing bulk product and eliminating the need for messy packets.
